Gomal University, D.I.Khan

Standard Operating Procedures (SOPs) for Paper Verification (Ph.D. Work)

1. Research Paper will only be verified for the Ph.D. thesis submission as required.
2. One paper will be verified for each Ph.D.
3. The concerned supervisor will submit Proforma (duly signed) along with title page of paper.
4. QEC will check the paper according to HEC guidelines for their respective fields and respond back within three working days to the concerned department/College/Institute.
5. The Ph.D Scholar must be the principal author in publication.
6. The research publication must be published from the Ph.D. research work after the student enrolment in Ph.D. program.
7. Only those papers which are registered *with* QEC database will be verified.
8. Only Published Paper is acceptable, paper with acceptance letter will not be entertained.
9. The QEC will respond within five (05) working days.
